Steel & S/S Steel Pipe and Fittings

Available in all Pressure Classes

PVC and CPVC Pipe and Fittings

Sch40 and Sch80 including Valves

Pipe Hangers

Standard and Engineered Supports
Also Available: Strut and Channels

Gate, Globe and Check Valves

Bronze and Iron, 125# and Up
Flanged, Threaded & Socket Weld

Backflow Prevention

Wide range of Backflow Prevention
Devices
Available in Various Materials.

Commercial Trench Drains

Polymer Modular Channel Units
available in 2"-12" Internal Widths

Knife Gate Valves

304 and 316 Stainless Steel

Complete Line of Valve Automation

Pneumatics, Electrics, Positioners,
Solenoids, Limit Switches

CGA and ULC Approved Ball Valves

Bronze Full Port Threaded and SW

Industrial Strainers

Y-Type, Simplex, Duplex, Sanitary,
Fabricated, Automatic. Available in
Steel, Stainless, PVC and CPVC

Flexible Connectors

Rubber Pump Connectors and
Flexible Stainless Steel Connectors

Cam and Groove Connectors

Both Domestic and Imported
Available in Various Materials.

Industrial Hose & Fittings

Pneumatic, Hydraulic, and various
styles of hose, fittings and clamps

Mechanical Joint Couplings

Stainless Steel with Neoprene
